D., and the able Faculty, give assured ctime and ye are." These staring facts, these ele-

ictims and ya are." These staring facts, these eloquent and prophetic warnings, were all unheeded. The people of the South liseased to be syram voice of Democracy pleading for a continued possession of place and power and hungring for the public spoils, and Buchanan was elected by the South. If the people of the Southern States had not been liaded by sectional familicism and party prejudice, hey would have seen, in the composition of the Buhanan Califest, the handwriting on the wall forealling the treachery of which the South was to be the victim. To it were called Case and Toucey and the prophetic world when we say that Christian University is now one of the most promising feating listitutions among us. Elder D. P. It notes no has accurate for it a very large endowment, perhaps larger than any Institution in the valley of the Mississippi The location of the limitation in the valley of the Mississippi Two for accurate for it a very large endowment, perhaps larger than any Institution in the valley of the Mississippi Two for a current for it a very large endowment, perhaps larger than any Institution in the valley of the Mississippi Two location of the limitation in the valley of the Mississippi Two location of the limitation in the valley of the Mississippi Two location of the limitation in the valley of the Mississippi Two location of the limitation in the valley of the Mississippi Two location of the limitation in the valley of the Mississippi Two location of the limitation and party prejudice, heavily and the limitation and party prejudice, heavily and the limitation in the valley of the Mississippi Two location of the limitation and party prejudice, heavily and the limitation in the valley of the Mississippi Two location of the limitation and party prejudice, heavily and the victim. To it were called Cass and Toucey and beer. Dr. S. E. Shepard, of Naw York, le commerce ob and Brown, all irretrievably committed on the cord in favor of freesoilism, as was Mr. Buchanar | list and Mrs. Irone Smith to Egypt, Syria, and Pales inself. Even these Southern members of the shinet had the stain of freesoilism upon their gar ents, indelibly fixed there by their votes in favor the Wilmot provise in the Oregon bill.

Dr. Sbepard is a man of great learning and ax-erience, and will add greatly in his tour to the

the Wilmot proviso in the Oregon bill.

This selection of a Cabinet almost exclusively facilities and reputation of the Institution. om smong those who had placed themselves upon the record in favor of either the Wilmot proviso of Christian University with great interest, and, as our he freesoil construction of the squatter sowereignly lectrine was surely enough to open the eyes of the southern supporters of Mr. Buchanan to the frand to call public attention to its opening session. hat had been practiced upon them. It was the pening of the first seal. It was the prologue of the
